

Harpreet Saluja

SENIOR VICE PRESIDENT, CORPORATE DEVELOPMENT AND PLANNING, EATON

Harpreet Saluja is senior vice president, Corporate Development and Planning for Eaton, a power management company.

Harpreet was appointed to her current role in November 2013 and is responsible for leading the global corporate development and planning function.

In her current role, Harpreet reports to the CFO and is responsible for leading Eaton's corporate strategy and global mergers and acquisitions activity. She has played a pivotal role in the company's growth and transformation through M&A during her tenure, leading over 50 transactions globally.

Harpreet joined Eaton's corporate development department in 1998 and has held positions of increasing responsibility. She had served as vice president, Corporate Development and Planning since 2008. Prior to joining Eaton, she worked at Tenneco Automotive with roles in International Business Development and Global Integration.

She holds a master's in business administration from the University of Michigan and a bachelor's in law and a bachelor's in psychology and mathematics from Panjab University, Chandigarh, India.

*At Eaton, we **make what matters work** and know **what matters next.***

Powering Business Worldwide

Eaton's mission is to improve the quality of life and the environment through the use of power management technologies and services. We provide sustainable solutions that help our customers effectively manage electrical, hydraulic and mechanical power – more safely, more efficiently and more reliably. Eaton's 2020 revenues were \$17.9 billion, and we sell products to customers in more than 175 countries.
