

信息产业通信设备抗震性能质量监督检验中心 电信设备抗震性能检测合格证

Seismic Quality Supervision and Test Center of Telecommunications Equipment for Information Industry
(STCTE)

Certificate of Quality Inspection of the Anti-seismic Capability of
Telecommunications Equipment

证号: CTTL-18-0549-0158
Certificate No.

经审查, 下述电信设备通过 7 烈度抗震性能检测, 符合电信设备抗震性能检测标准, 准许进入 7 烈度及以下地区国家电信网使用, 特发此证。

This is to certify that STCTE has approved, after examination, that the following equipment had passed earthquake intensity 7 anti-seismic performance test, which complies with the requirements for anti-seismic capability, and authorized to be used in telecommunications network of the areas of nation with earthquake intensity 7 and under.

申请单位: 伊顿电源(上海)有限公司
Applicant

生产企业: 山特电子(深圳)有限公司
Manufacturer

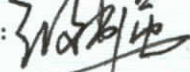

设备名称: 通信用模块化不间断电源
Equipment Name

设备型号: 93PR-200-MBS
Model Number

设备产地: 广东省深圳市
Origin

备注: 该设备尺寸、重量、外观、配置等信息详见检验报告
Remarks

签发人: 
Issuer

发证日期:
Date of Issue

有效期至:
Date of Expiry
