

## Residential NAS protection

Data stored in NAS needs to be accessible at any time by any user connected to a private network.

### What NAS functions need protection?

- Private cloud storage
- Data sharing through local network
- Back-up process
- Multimedia server

### Why should you protect your NAS?

**Surge: Eaton Ellipse ECO UPS** protects your home network storage multimedia equipments from surge (61643-1 compliant).

**Battery back-up and integration : Eaton Ellipse ECO UPS** provides an easy to use and affordable solution to protect home network storage and multimedia equipments from power outage. Its flat form factor makes it easy to integrate in a room (flat on a desk or vertical behind a cabinet).

**Communication: Eaton** software associated with **Eaton Ellipse ECO UPS** will provide a peaceful protection solution, insuring clean shutdown without any data loss.

### Eaton UPS recommendation :
