## **Eaton UPS Flex Service Plan Time and Material, Spare Part Kits and Field Upgrade Discounts Scope of Work Attachment R-33**

1. **Discounts on spare part kits and field upgrades** - If optionally purchased by Customer in conjunction with either scheduled preventive maintenance visit(s) or an on-site corrective maintenance Power Module Service Agreement of the same duration, Contractor will provide a 30% discount on optional spare part kits (not individual parts) and any field upgrade or modification performed by Eaton®. Spare part kits are defined as an "A", "B", "C" or "D" level spare kit comprising between 80% and 10% of the replaceable parts for a specific Eaton product.
2. **Time and Material (T&M) services** – standby scheduled T&M services are eligible for a 30% discount per contractor's prevailing X-1 T&M Rate Schedule; recertification and custom quoted (fixed price) services are excluded
3. **Battery replacements excluded** – partial and full battery updates are ineligible for discounts
