September 23, 2005
To: GLH Fuse Customer
Subject: **GLH Fuse END of LIFE NOTICE**

Due to the low GLH fuse market demand, manufacturing site consolidations and the evolution of the equivalent AGC Series, the Cooper Bussmann GLH ¼" ferrule fuse Series is at its end of life as a product offering.

The AGC ¼" fast-acting glass fuse Series has voltage ratings that exceed those of the GLH and is the recommended replacement. The AGC Series data sheet is on our web site (www.cooperbussmann.com).
