September 23, 2005
To: MSV Fuse Customers
Subject: **MSV Fuse END of LIFE NOTICE**

Due to the low MSV fuse market demand, manufacturing site consolidations and the evolution of the equivalent MDL-V Series, the Cooper Bussmann MSV ¼" ferrule fuse Series is at its end of life as a product offering.

The MDL-V ¼" time-delay glass fuse Series (with axial leads) has voltage ratings that meet those of the MSV and the recommended replacement. The MDL-V Series data sheet is on our website (www.cooperbussmann.com).
