September 23, 2005
To: MTH Fuse Customers
Subject: **MTH Fuse END of LIFE NOTICE**

Due to the low MTH fuse market demand, manufacturing site consolidations and the product evolution of the equivalent AGC Series, the Cooper Bussmann MTH ¼" ferrule fuse Series is at its end of life as a product offering.

The AGC ¼" fast-acting glass fuse Series has voltage ratings that meet those of the MTH and is the recommended replacement. The AGC Series data sheet is on our website (www.cooperbussmann.com).
