

Accessories for bag filter housings

Magnetic bar for LPHF elements MG-12-90-LPHF

Specification

Code number	F672251
Technical data	
Magnetic flux density	9300 Gauss
Materials of construction	
Capsule	Stainless steel 316 Ti
Surface treatment	Electro-polished
Operating conditions	
Min/max. allow. temp. (TS)	°C 80

(Changes possible w/o notice)
