Eaton Filtration Order Center

We make what matters work.*

*eCommerce for self-service, order management and automation

Eaton Order Center: Your easy connection to Eaton's web-based eCommerce platform in the Americas. Easily view information, place and manage orders. Utilize a complete set of functions that increase your business knowledge and self-service capabilities.

Why this solution makes your life easier:

- Real-time price and availability of products
- Online order tracking
- Available 24/7
- Order documents available in one place
- Easy-to-navigate product category menu
- Makes work smarter and faster
- Validation of parts and pricing eliminates errors
- Environment friendly – paperless

EATON

Powering Business Worldwide

filtration-store.eaton.com
