

Eaton's Custom Toolbox Solutions

Stay Organized, Be Prepared, Reduce Downtime!

Proactively reduce the risk of being stranded without parts! Choose one, or bundle all three kits so that you will have confidence when tackling your most common pilot device (22mm / 30mm) or limit switch needs.

SENSORS-PACKOUT

M22-PACKOUT

10250T-PACKOUT

Reduce downtime by having components at your fingertips

Kits include most common replacement parts so you're always ready

Available now from your Eaton authorized distributor
