Except for the express licenses granted herein, all right, title and interest (including Intellectual Property Rights) in and to any intellectual property owned, created or independently developed by Eaton, including, but not limited to, the Product Software and any derivative work, customisation, modification or enhancement thereof (including all Intellectual Property Rights in any of the foregoing), whether developed prior to, during, or after this Agreement, will remain solely with Eaton and its licensors. Eaton grants no implied licenses hereunder.
- 21.2 You may provide suggestions, comments or other feedback ("**Feedback**") relating to the Product Software. Your Feedback, even if designated as confidential, shall not, absent a separate written agreement, create any confidentiality obligation for Eaton. Eaton shall be free to use, disclose, reproduce, license or otherwise distribute and exploit such Feedback as it sees fit, entirely without obligation or restriction of any kind on account of intellectual property rights or otherwise.
- 21.3 You may print off one copy, and may download extracts, of any page(s) of the Materials solely for internal business purposes only. Any paper or digital copies of any Materials which you have printed off or downloaded in any way must not be modified, and you must not use any illustrations, photographs, video or audio sequences or any graphics separately from any accompanying text.
- 21.4 The content on the Product Software, including all information, text, graphics, images, hyperlinks, illustrations, designs, icons, photographs, documents, products, computer programs, services and written and other materials (collectively, the "**Materials**"), and such information is for general guidance purposes only.
- 21.5 Unless otherwise noted, all Materials are copyrights, trademarks, trade dress and/or other intellectual properties owned by, controlled by or licensed to Eaton or third parties (hereinafter, the "**Third-Party Providers**").
- 21.6 Except as stated herein, and to the extent permitted by law, none of the Materials may be copied, reproduced, distributed, republished, downloaded, displayed, posted or transmitted in any form or by any means, including, but not limited to, electronic, mechanical, photocopying, recording, or otherwise, without the prior express written permission of Eaton or the Third-Party Provider.
- 21.7 Any use of these Materials on any other website or networked computer environment for any purpose is prohibited. Any unauthorized use of any Materials contained on this Product Software may violate copyright, trademark, and other laws, including but not limited to laws of privacy and publicity, and may result in severe civil and criminal penalties.

22 TERMINATION OR SUSPENSION

- 22.1 This Agreement and the license granted hereunder, shall come into force on the creation of your Product Software account and shall continue in full force and effect unless this Agreement is terminated in accordance with its terms.
- 22.2 Eaton reserves the right, in its sole discretion and without notice to you, to suspend, terminate, modify or delete an account or access to the Product Software or parts thereof, if you are, or Eaton reasonably suspects that you are, failing to comply with any of the provisions of this Agreement or for any actual or suspected illegal or improper use of the Product Software. If you use multiple accounts, if Eaton does take action against you, you may have action taken against all your accounts.
- 22.3 For the avoidance of doubt, any wilful unauthorized use, copying, modification, reverse engineering, disclosure, distribution or sublicensing of the Intellectual Property Rights in the Product Software or any related methods, algorithms, techniques or processes by you, your employees, agents, representatives, officers or directors will be deemed a material breach of this Agreement that cannot be cured, and termination may be immediate.

- (i) all rights and licenses granted to you under this Agreement shall cease;
 - (ii) you must cease all activities authorized by this Agreement, including your use of the Product Software;
 - (iii) you must immediately delete, remove and cease access to the Product Software from all devices on which the Product Software has been installed and all copies of the Product Software then in your possession, custody or control.  - (v) we may remotely access your devices and remove the Product Software from them and cease providing you with access to the Product Software.

- 23.1 The Product Software may contain links to third party websites, services and/or display advertisements for third parties (together, "**Third Party Links and Ads**"). Such Third-Party Links and Ads are not under Eaton's control. 25 FORCE MAJEURE

- 25.1 Notwithstanding anything else contained in this Agreement, Eaton shall not be liable for any delay in providing the Product Software or support for the Product Software if such delay arises from or is attributable to acts, events or omissions beyond its reasonable control, including (but not limited to) pandemics, epidemics or endemics, nuclear accident, acts of God, war or terrorist activity, riot, civil commotion, malicious damages (excluding malicious damage involving your employees or your sub-contractors), compliance with any law or governmental order or regulation, accident, industrial action by employees of any provider of electrical power, breakdown of plant or machinery, fire, flood or storm (a "**Force Majeure Event**") subject to Eaton promptly notifying you in writing of the reasons for the delay and the expected duration of the delay.

26 MISCELLANEOUS

26.1 If a term is found unenforceable or invalid, that term will be enforced to the maximum extent permissible and the remaining provisions of the Agreement will remain in full force and effect and an enforceable term will be substituted reflecting our intent as closely as possible. You may not assign or transfer any of your rights under this Agreement, and any such attempt will be void. Eaton may freely assign or transfer its rights to any of its affiliates or subsidiaries, or to any successor in interest of any business associated with the Product Software. Subject to the foregoing, this Agreement will bind and ensure to the benefit of the parties, their successors and permitted assigns. Eaton's failure to enforce a term of this Agreement is not a waiver of its right to do so later. No failure or delay by Eaton or its affiliates to exercise any right or enforce any obligation shall impair or be construed as a waiver or ongoing waiver of that or any other right or power. Waiving one breach will not be construed to waive any succeeding breach. All waivers must be in writing and signed by the party waiving rights.

27.1 The Product Software, Documentation and Materials as well as parts of any of these (e.g. new versions, releases, updates, upgrades, patches, fixed or correction of the Product Software) are subject to export laws of various countries, including, without limitation, the laws of the United States, the EU and Ireland ("**Export Laws**"). 27.2 Eaton assumes no responsibility or liability:

- (i) For any delay caused in the delivery and/or granting of access to the Product Software, Documentation and Materials or parts of any of these due to export or import authorizations or both having to be obtained from the competent authorities;

- (iii) If the delivery of and/or granting of access to the Product Software, Documentation and Materials or parts of any of these is prevented due to applicable Export Laws; and
- (iv) If access to any services has to be limited, suspended or terminated due to applicable Export Laws.

27.3 Eaton may terminate this Agreement with thirty (30) days' prior written notice if Eaton may not deliver or grant access to the Product Software, Documentation and Materials to you due to an embargo or other comparable trade sanction, which is expected to be in place for six (6) months or longer.

Consistent with 48 C.F.R. § 12.212 and 48 C.F.R. §§ 227.7202-1 through 227.7202-4, all U.S. Government End Users acquire the Product Software with only those rights set forth herein. 28.1 This Agreement and any dispute or non-contractual obligation arising out of, or in connection with, it shall be governed by, and construed in accordance with, the laws of Ireland. You agree that the courts of Ireland are to have exclusive jurisdiction to settle any dispute (including claims for set off and counterclaims), claims, actions, suits or other proceedings which may arise in connection with the creation, validity, effect, interpretation or performance of, or the legal relationships established by, this Agreement or otherwise arising in connection with this Agreement and for such purposes irrevocably submit to the jurisdiction of the Irish courts. You acknowledge and agree that you must initiate a cause of action for any claim(s) arising out of or relating to this Agreement and its subject matter within one (1) year from the date when you knew, or should have known after reasonable investigation, of the facts giving rise to the claim(s).

The parties shall seek to jointly appoint a single arbitrator. If they fail to reach an agreement to the name of the arbitrator within a period of fifteen (15) Business Days from the time when either party proposes the name of an arbitrator to the other party, then either party may apply to the Chairman of the Chartered Institute of Arbitrators in Ireland to nominate an arbitrator and that nominated person shall be the sole arbitrator for the purposes of this Agreement (the "**Arbitrator**"). The Arbitrator shall take its decision under Irish law and not in equity, and the decision of the Arbitrator shall be final and binding (save for fraud or manifest error). The place of arbitration shall be Dublin and the language of the arbitration shall be English.
