APPLICATION

Lens guard for IHB LED Luminaire. Suitable for ordinary locations only.

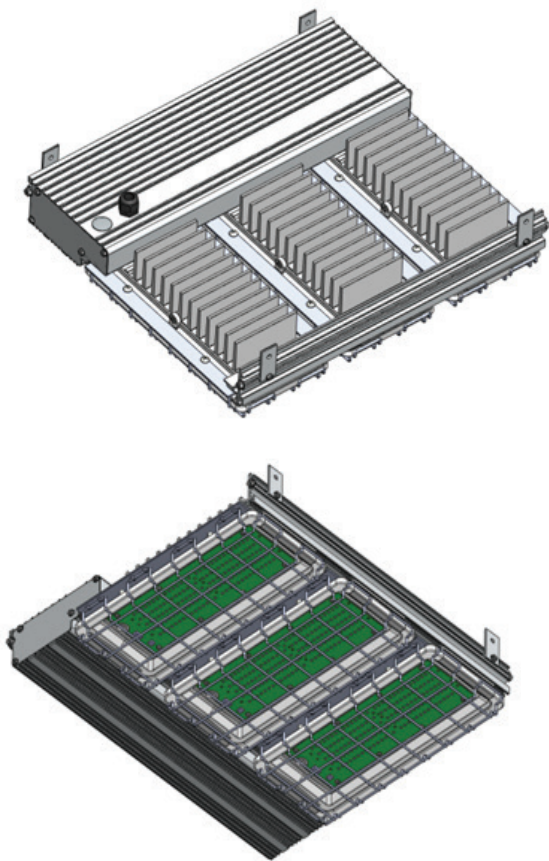

⚠ WARNING

To avoid electric shock:

- Be certain electrical power is OFF before and during installation and maintenance.
- Luminaire must be supplied by a wiring system with an equipment grounding conductor.

To avoid burning hands:

- Make sure luminaire lens and housing are cool when installing and performing maintenance.

INSTALLATION

LENS GUARD (ONE PER LED MODULE)

1. Align the lens guard with the end of the luminaire as shown in Figure 1. The lens guard is designed to be installed in one direction only.
2. Slide the lens guard until lens guard stop is flush with the LED module as shown in Figure 2.
3. With the lens guard is in place, install and tighten the 4 screws (20in-lbs) on the lens guard as shown in Figure 3.
