

# 1 Priam

Priam offers an alternative form for commercial lighting applications. Designed exclusively for use in a multitude of linear tile applications in a contemporary setting.

A selection of tuned lumen outputs combined with a Microprism diffuser produce working spaces with vitality and comfort.

Emergency operation, via a discrete LED, is optically controlled with an advanced lens making exceptional spacing possible.

Rapid installation is a key benefit, thanks to the side mounted plug and socket arrangement. Connections are all external to save valuable time on site.

- Equally lit photometrically controlled diffuser for homogenous light at high angles
- Minimalist features to complement the surroundings
- Designed to fit seamlessly in to SAS 300 type ceilings with equal proportions and radii
- High efficacies of up to 106 Llm/cW which exceed the requirements of UK Building Regulations: Part L and Section 6 (Scotland)
- May contribute to EN12464-1 requirements for scheme compliance across all variants
- Close colour tolerance: MacAdam 3 SDCM
- Quick and simple installation with a lay-in solution complete with plug/socket mains and DALI connection / Pull up via bracket accessories – see bracket details
- 3 hour maintained emergency versions available
- Exceptional spacing from the integral LED emergency reduces the number of emergency luminaires required.

**Light Engine and Control Gear Options**

- High output, high efficacy LED chip set optimised for controlled recessed lighting applications
- Energy efficient fixed output control gear as standard
- Dimming option - DALI

**Materials**

- Body - welded, full box steel construction, powder coated in RAL9016 finish 60% gloss (SAS 330 available in RAL9010 to closely match ceiling tiles)
- Optic - Polycarbonate UV stable Microprism combination
- Outer bezel frame – monolithic seamless steel construction, powder coated in RAL9016 finish (SAS 330 available in RAL9010 to closely match ceiling tiles)

**Installation Notes**

- Suitable for a number of ceiling systems, including;
  - Exposed Tee 15mm
  - Exposed Tee 24mm
  - Alugrid 15/08
  - Alugrid 15/16
  - SAS 330 150 C Profile
  - SAS 330 100 C Profile
- Refer to the ceiling compatibility table for more details
- Suitable for UGR <19 applications
- Order side support bracket set for 'draw up' applications (ordered separately) PRMBHTBS – refer to the ceiling compatibility table for more details
- Rear socket and plug (included) for rapid installation
- Emergency variants are fused as standard
- May aid lighting scheme design to comply with BS EN 12464-1 - refer to the lighting design guide on page 458

**Options**

- Fully integral LED emergency conversion, 3 hour duration
- CG Line+ self-test emergency versions available, reducing maintenance costs and offering ease of compliance with testing requirements
- We offer a range of product support contracts to aid commissioning, reduce your maintenance costs, comply with legislative test requirements and increase the lifespan of your lighting equipment

**Specification**

To specify state: Recessed architectural luminaire, of full box welded construction with post coat powder paint, RAL9016 finish, for lay-in / pull up installations. Complete with Microprism combination and high efficiency LED modules. LED emergency option with unique lens optic delivering up to 10m x 10m coverage distribution, Eaton's Priam range part no \_\_\_\_\_

## Accessories

Part No.	Description	Weight (Kg)
PRMBHTBS	Priam Bracket Set (4)	0.1

For DALI Dimming option replace character Z with DD , e.g. PRM123254KZ becomes PRM123254KDD

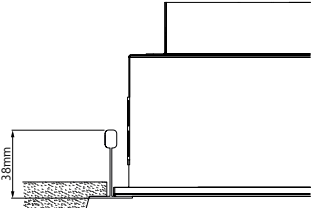

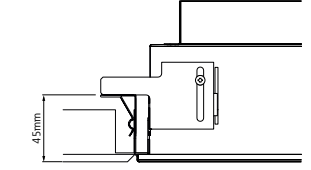

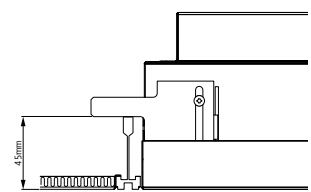

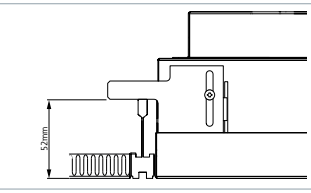

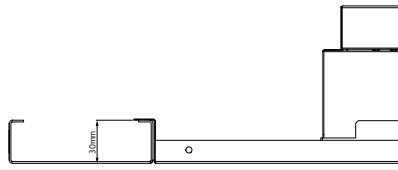

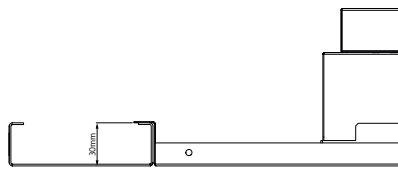

Emergency versions are also available with automatic test functionality, e.g. CG Line+

For further information, contact our Technical Support and Application department on 01302 303240 or email [LightingTechnicalUK@Eaton.com](mailto:LightingTechnicalUK@Eaton.com)

Llm/cW = luminaire lumens per circuit watt

For more information on the installation requirements and product specifications, please visit our website: <https://uk.eaton.com/content/gb/en/products/product-catalog/priam-recessed.html>

Ceiling Compatibility

Priam ceiling type	Manufacturers reference	Installation method	Body size	Bearer bracket	Note
