

Firehouse power pedestal

Marina and RV parks solutions

A complete solution for marina fires and emergencies

The Firehouse power pedestal is a complete solution for fire and emergency needs for RV parks, marinas and campgrounds. The Firehouse power pedestal features fire extinguisher storage, an alarm strobe light and an optional life ring.

Benefits

- A complete fire protection solution with available options, including fire extinguisher, alarm strobes, life ring and fire hose
- NEMA® 3R rating withstands harsh outdoor elements for years of reliable use
- Strobe lights and sirens are automatically activated when the door is opened
- Enables marina owners to conform to NFPA® 303 4.2.2.1
- UL® Listed as an alarm and signaling device

Standard features

- 316L stainless steel housing that is powder coated with a polyester resin
- NEMA 3R rating

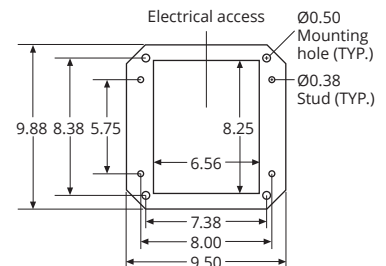

Available options

- 24-inch life ring
- 20 lb and 10 lb ABC type fire extinguishers available
- Alarm strobe light and siren: automatically activated when door is opened or optional life ring is removed
- Emergency E-Stop (per NFPA® 70 555.36)
- Photocell-controlled lighting
