Char-Lynn® Steering Control Units

June 10, 1993

Date: June 10, 1993

Subject: Availability of Torx® Socket

Many of the cap screws used in the assembly of Char-Lynn Steering Units and Char-Lynn Motors are now of the Torx® head type. Eaton is making the (E10) size Torx socket available to you.

The Eaton part number for the Torx socket is 64489-000.

The socket may be ordered from Eaton thru the usual parts ordering system.
