YHH30B Series HD IP Camera Station

Fixed, for both Ex & safe/harsh areas

Overview

Made from 316L stainless steel and designed specifically for use in hazardous area and or harsh environmental conditions, this hard wearing and corrosion resistant fixed camera station is suitable for a variety of applications both onshore and offshore in Oil & Gas, Marine, Wind, Chemical and many other industries where quality and durability are a pre-requisite.

With zoom capability as standard, a variety of mounting brackets, wiper/washer tank, POE, EOC, and fiber optic options the YHH30B has the operational capability for most demanding CCTV applications.

Features

- ATEX & IECEx certified.
- IP66 and IP68.
- 1080p HD IP camera.
- -40°C to +65°C.
- 316L Stainless Steel.
- Automatic Heater.
- Optional POE
- Optional EOC
- Optional fiber optic
- Optional wiper.
