

ROHS Manufacturer Declaration

Thank you for inquiring about Eaton's ethical, social and environmental standard practices of sustainability. We are very proud of our efforts and are glad that your company is also committed to these practices.

Eaton is fully committed to meet all regulatory requirements applicable to its products and carefully monitors new- and upcoming legislation that could affect Eaton and its products. Eaton has taken the necessary steps for implementing these product requirements in a timely manner.

Eaton Corporation declares the following for the products shown below:

Materials N°	Materials Description
40071355750	83022.1 LED CG-S
40071355751	84022.1 LED CG-S

The products are considered an electrical or electronic equipment (EEE) in the meaning of the RoHS Directive. We would like to inform you that to the best of our current knowledge the products do not contain any of the restricted substances as per the RoHS Directive or the presence of such a substance is exempted as outlined in the Annexes III/IV. Therefore, the products are in conformity with the requirements of Article 4 of the ROHS Directive 2011/65/EU.

This declaration is based on information available to us. It refers to the products at the date of issue. We make no express or implied representations or warranties with respect to the information contained herein.
