Commercial malls, cinemas and theaters, hotels, restaurants, conference areas, hospitals

Contemporary styling and high quality materials blend together perfectly to produce the attractive Via range of pendant exit signs.

Injection moulded parts help reduce weight and provide a distinctive sculptured appearance suitable for a wide variety of interiors and applications. Via also benefits from a frameless modern design of legend panel that offers a maximum viewing distance of 24m. The long life LED strip provides an excellent uniform illumination of the legend comfortably meeting the requirements of EN1838. Via has an LED source with a rated life of 50.000 hours ensuring reliable operation and minimising onsite maintenance costs
