To whom it may concern

We, Eaton Electrical Products Limited, Formerly Cooper Fulleon Ltd, Llantarnam Park, Cwmbran, South Wales, NP44 3AW, UK as the Manufacturer of the below VdS approved product can confirm that an EFSG agreement is in place with AFNOR and VdS for the recertification of the products shown in the table below: Testing of these products has been completed, however VdS has not completed the certificate update, in-line with the EFSG agreement. VdS have therefore granted a 1 year extension for the certificates shown below, while they review the test reports from CNPP. The extended VdS approval certificates are expected imminently.
