

S-Series enclosure quick ship program

The perfect solution for network closets, labs and small IT installations.

Quick delivery for small enclosure projects (typically 1-3 enclosures) is critical. Whether your project is for a network closet, lab or a small office IT installation – Eaton® has a solution. With stocking facilities on both coasts, we can ship your enclosure order to your door in five days or less!

The Quick Ship program includes an expanded scope of Eaton’s S-Series Enclosure sizes and configurations. Stocked sizes now include 42U, 44U and 48U configurations. Details on the various configurations are outlined in the following tables.

The new Small/Medium Enterprise (SME) solutions in 30U and 36U are also available. These are specialized solutions designed to support small server, networking or power configurations in the office environment. Refer to the new S-Series Enclosure brochure for details.

SME Enclosure configurations

Item number	Size (in)	Features	Color
ETN-VS2302440	30U H x 24W x 40D	Perforated doors, side covers, top cover with cable egress/ingress, rails and casters.	Black
ETN-VS2362440	36U H x 24W x 40D	Perforated doors, side covers, top cover with cable egress/ingress, rails and casters.	Black

Data center enclosures

Following is a list of the enclosure configurations included in the Quick Ship program.

ETN-ENC422442SB	42U x 24W x 42D	Casters, side panels, top panel, front/rear perforated doors, key lock with pull handle	Black
ETN-ENC422442SD	42U x 24W x 42D	Casters, top panel, front/rear perforated doors, key lock with pull handle	Black
ETN-ENC422442SE	42U x 24W x 42D	Four-post rack style with top panel only (no brushes)	Black
ETN-ENC422448S	42U x 24W x 48D	Casters, one divider panel, top panel, front/rear perforated doors, key lock with pull handle	Black
ETN-ENC423042S	42U x 30W x 42D	Casters, one divider panel, top panel, front/rear perforated doors, key lock with pull handle	Black
ETN-ENC423048S	42U x 30W x 48D	Casters, one divider panel, top panel, front/rear perforated doors, key lock with pull handle	Black
ETN-ENC442442S	44U x 24W x 42D	Casters, one divider panel, top panel, front/rear perforated doors, key lock with pull handle	Black
ETN-ENC442448S	44U x 24W x 48D	Casters, one divider panel, top panel, front/rear perforated doors, key lock with pull handle	Black
ETN-ENC443042S	44U x 30W x 42D	Casters, one divider panel, top panel, front/rear perforated doors, key lock with pull handle	Black
ETN-ENC443048S	44U x 30W x 48D	Casters, one divider panel, top panel, front/rear perforated doors, key lock with pull handle	Black
ETN-ENC483042S	48U x 30W x 42D	Casters, one divider panel, top panel, front/rear perforated doors, key lock with pull handle	Black
ETN-ENC483048S	48U x 30W x 48D	Casters, one divider panel, top panel, front/rear perforated doors, key lock with pull handle	Black

Powering Business Worldwide

Accessories

To support the enclosure offering, we are also stocking a wide range of accessories. All accessories are single packed and will ship separately from the enclosure (i.e. not installed). From side covers, to cable management, to airflow management, the stocking program includes all the essential items needed to configure an IT enclosure.

Details, including pictures and drawings of the accessories, can be found on the Eaton Power Quality website in the S-Series section, or in the new S-Series Brochure which is available for download.

Item number	Features
ETN-1032CAGE20	#10-32 Cage nut hardware kit
ETN-ACC4224RL	Rails for 42U x 24"W S-Series Enclosure
ETN-ACC4230RL	Rails for 42U x 30"W S-Series Enclosure
ETN-ACC4824RL	Rails for 48U x 24"W S-Series Enclosure
ETN-ACC4830RL	Rails for 48U x 30"W S-Series Enclosure
ETN-ACC4242SP	Side panel kit for 42U x 42"D S-Series Enclosure
ETN-ACC4248SP	Side panel kit for 42U x 48"D S-Series Enclosure
ETN-ACC4442SP	Side panel kit for 44U x 42"D S-Series Enclosure
ETN-ACC4448SP	Side panel kit for 44U x 48"D S-Series Enclosure
ETN-ACC4842SP	Side panel kit for 48U x 42"D S-Series Enclosure
ETN-ACC4848SP	Side panel kit for 48U x 48"D S-Series Enclosure
ETN-ACCGROM	Kit of 10 pass-thru grommets
ETN-BX45V11	Velcro strap kit – 11", qty. 50
ETN-BX45V8	Velcro strap kit – 8", qty. 50
ETN-CMBPBRSH1U	Cable pass-thru with brush – 1U
ETN-CMDRNR031U	Cable ring kit – 1U, qty. 4
ETN-CMDRNR032U	Cable ring kit – 2U, qty. 4
ETN-CMFD19041U	Horizontal cable manager – 1U
ETN-CMFD19042U	Horizontal cable manager – 2U
ETN-CMPD19031U	Horizontal ring cable manager – 1U
ETN-CMPD19032U	Horizontal ring cable manager – 2U
ETN-CMRB19022U	Cable strain relief bar – 2"
ETN-CMRB19042U	Cable strain relief bar – 4"
ETN-CMTUNR02	Take up spool, 2.5" deep
ETN-CMVCKL	Velcro buckle strap – 9", qty. 10

Item number	Features
ETN-CMVCKL12	Velcro buckle strap – 12", qty. 10
ETN-FLRGR118	Floor grommet – 11" x 8.25"
ETN-FLRGR76	Floor grommet – 7.5" x 6.5"
ETN-FS19241U20	Fixed shelf – 1U, 24" deep
ETN-FS19241U40	Fixed shelf, heavy duty – 1U, 24" deep
ETN-FS19281U20	Fixed shelf – 1U, 28" deep
ETN-FS19281U40	Fixed shelf – 1U heavy duty, 28" deep
ETN-JANCHOR1	Anchor bracket kit
ETN-JCMT24PP	Overhead cable management trough – 24" pass-thru panel
ETN-JCMT24PT	Overhead cable management trough – 24" power tray
ETN-JCMT24SP	Overhead cable management trough – 24" solid panel
ETN-JCMT30PP	Overhead cable management trough – 30" pass-thru panel
ETN-JCMT30PT	Overhead cable management trough – 30" power tray
ETN-JCMT30SP	Overhead cable management trough – 30" solid panel
ETN-LACEB42U03	Lacing bar – 42U, 3"W
ETN-LACEB42U08	Lacing bar – 42U, 8"W
ETN-LACEB48U03	Lacing Bar – 48U, 3"W
ETN-PBP1U10	1U Plastic blanking panels, qty. 10
ETN-PBP1U100	1U Plastic blanking panels, qty. 100
ETN-PBP2U10	2U Plastic blanking panels, qty. 10
ETN-PWRBAR42U	42U Power buss bar
ETN-RS19281U10	1U Rolling shelf - 28"D
ETN-RS19282U20	2U Rolling shelf - 28"D, heavy duty
ETN-STLDRING	Kit of 4 steel D-Rings
ETN-VF01U10B	Screw attach 1U steel blanking panels, qty. 10

Note – Always check with Eaton Inside Sales on availability and quantity of any part number at the time of order.
