

Let your home be a true reflection of your style.

With Eaton Wiring Devices, you can upgrade your home with stylish, innovative, convenient, protective and energy efficient devices. It's as easy as 1, 2, 3!

Step up your style

Consider stepping up from standard toggle switches to a decorator or our award-winning Aspire line of devices to add a touch of sense and style.

Dress up your decor

Available in multiple color options, screwless wallplates enhance interior designs over standard wallplates offering a clean look.

Impress with innovation

Integrated nightlights featuring light sensors which turn nightlights ON and OFF. Many versions are also dimmable allowing adjustability for personal preference.

Commit to convenience

USB charging devices allow for a quick and convenient charging of electronic devices without the need for bulky adapters.

Proven to protect

Power surges can damage your valuable electronic equipment. Protect them with surge protection devices. A small investment could be the smartest investment you'll ever make!

Effects of efficiency

Consider energy saving devices such as dimmers, sensors and timers to help maximize energy savings on your utility bill.
